

SOCIOLOGY OF EDUCATION SIG

Australian Association for Research in Education

ANNOUNCEMENT

We are glad to announce that the AARE Sociology of Education SIG has two new members: Sam Schulz and Stephen Kelly who have joined Babak Dadvand and Garth Stahl in the co-convener capacity.

DEAR SIG MEMBERS

We hope this newsletter finds you well in these uncertain times. It is hard to believe that the annual AARE conference was only six months ago.

This year we won't be meeting in person for the AARE conference! We take the opportunity here to the SIG members some research publication updates and an announcement.
