

AARE Office Report – May 2020

General

I have been updating all of the AARE process documents. Job Keeper has been applied for and obtained. I have maintained the AARE office and paid all invoices. Our Workers Compensation and Management Liability insurance renewals have been received and actioned. The Management Liability insurance has undergone a significant change since last year due to COVID-19. These changes have been addressed.

I have undertaken significant free training in EventsAIR and EventsOnline, which is a new program developed by EventsAIR to assist organisations moving their events to an online or hybrid basis. However, a program such as Zoom is still required to use this new system.

Membership

As of 18 March 2020 we have 811 financial members. This number will dramatically decrease at the end of June when membership will be due for renewal.
