SCO01723 was presented as an electronic poster. It is very large and includes many sound files. Due to this we have put it on the CDrom **but not on the WWW.**

Those who attended the conference will receive their CDrom about the end of April 2002. Others may purchase a copy from the AARE.

Send an email message to the AARE office (aare@aare.edu.au) by clicking [here](#). Include your name and postal address or your request will be ignored.
